More sound. More power.
Now in the smallest
rechargeable Super Power
hearing aids

More hearing in noise.

More sound.

Experience better hearing with less effort in daily situations and naturally tune in and out of surrounding sounds with our 360 All-Around feature.

More clarity.

ReSound Enzo™ IA spotlights speech and eliminates distractions without cutting you off from the world, thanks to our latest feature, Clear Focus.

More relief from feedback.

Enjoy the best feedback management, giving powerful amplification without unwanted whistling noises.

Powered by Intelligence Augmented™
– a human approach to AI that utilises your brain's natural power to process sound

Hear without compromising

It's now possible to get all-day battery* in the world's smallest rechargeable Super Power hearing aids – without trade-off on functionality, comfort or durability.

The organic design naturally conforms to the shape of the ear to minimise pressure and maximise comfort for all-day wear.

ReSound Enzo IA hearing aids are all-weatherproof, built to withstand everyday life, rain or shine, and have exchangeable mic filters that can be replaced when needed to ensure your hearing aids stay on your ears.

*One full charge offers 28 hours of use – and 20 hours when streaming 50% of the time

More convenience.

Pair ReSound Enzo IA to two smart devices at once with MultiConnect, for uninterrupted streaming.

More connections.
